

# Electricity Deemed Rates

Updated 6<sup>th</sup> February 2025

Where Crown Gas & Power are the registered electricity supplier for your premise and no formal contract exists between yourself and us, then we will charge you on a Deemed rate basis. These rates (or any replacement) will remain in place for as long as Crown Gas & Power remain the registered electricity supplier to your meter point or until a new contract is agreed with us.

Our Deemed Rates consist of a unit charge applicable to all consumption and a daily standing charge (site specific). Charges in addition to our published rates may apply as follows:

- Site specific capacity charges and excess capacity charges (For Profile Class "00")
- Reactive power charges (where applicable)
- Climate Change Levy or VAT

To determine which unit rate applies to your supply, please refer to your MPAN and look up the Distribution ID within the relevant price table. Profile class "00" is Half Hourly (Table 2) and all other profile classes e.g. "01" to "08" are Non-Half Hourly (Table 1). Please refer to the example MPAN below:

## Frequently Asked Questions

### When will Crown Gas & Power apply Deemed Contract rates?

If no formal contract has ever been agreed with us, you will be placed on our Deemed rates. Deemed rates will continue to apply until you either enter into a contract with us or switch to another supplier. If you wish to discuss the terms of a new contract, please contact our team on [sales@crowngas.co.uk](mailto:sales@crowngas.co.uk) or call **0161 546 9951**.

### How will I know when I am being charged Deemed Rates?

All customer invoices clearly show the Contract Type. If your Contract Type displays "Deemed" (as shown on the right) then you will know that you are being charged on a Deemed rate basis.
